REBATES ARE FREE MONEY!

Don't forget that scrip rebates are **FREE** money paid to ICS because families choose to shop with gift cards. Every time you use a gift card online, at the register or at the gas pump, the retailers you support offer their support to ICS.

So far, this year, our school has earned \$30,747.35 of FREE MONEY!

You don't have to:

- *sell anything
- *collect any money
- *solicit businesses for support
- *beg family or friends for money
- *maintain a spreadsheet of product sales.

Simply swap our credit cards for gift cards. It's so EASY! It's so FREE!

AND, you can earn tuition credit while you shop!

Every gift card matters... but remember, the higher the rebate, the better!

THANK YOU for all you are doing to support our school!
